

Applying Cultural Anthropology: An Introductory Reader (Paperback)

By Aaron Podolefsky, Peter Brown, Scott M. Lacy

McGraw-Hill Education - Europe, United States, 2012. Paperback. Condition: New. 9th edition. Language: English. Brand new Book. The ninth edition of Applying Anthropology: An Introductory Reader is a collection of articles that provide compelling examples of applied research in cultural anthropology. In this age of globalization and increased cultural intolerance, the basic messages of public anthropology are more important than ever. This new edition offers ten new readings that refer to contemporary social issues such as religious belief, work and family, social class, food production, relationships, consumerism, the effects of climate change on culture, and globalization.

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- **Cathrine Larkin Sr.**

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.
